that would be great. I want to make sure we have a section on what we have done for them from a business development perspective in the deal memo for Morgan Stanley and Goldman.

Thanks,

john

Guys,

Is there anyone we can call in DC to get a sense of how Legit Metabiota is viewed within the various government agencies? We want to make sure we thoroughly do our diligence here, especially as Goldman and now Morgan Stanley will be doing diligence on the fund and Metabiota towards investing in both.

Additionally, who have we introduced them to in DC? Can you please provide a list of the various folks within Cornerstone as well as outside the firm where we have made intros? This data will go in our investment memo which we are trying to complete and get to potential LPs by Tuesday.

Will and I met with Nathan on Tuesday and he said they plan to retain Cornerstone btw which is great news so they have come around on that front. We are meeting again with them today and tomorrow to discuss terms of the Series A.

Thanks for the help and input.

Best,

John
