Sig Sauer Cross Barrel pricing

Specs;

Bartlein blanks. Chambered and crowned.

All calibers and twist rates available for this initial batch.

Not all cartridges available. All barrels will come with extensions.

Price includes shipping

All steel barrels finish length 16"-24" \$825.00

Approximate unfinished weight, .264" bore 16" 2.2 lbs., 20" 2.6 lbs, 24" 3.0 lbs.

Muzzle diameter .750" or larger dependent on length.

CF wrapped barrels; three lengths 16"-18", 18"-20", 22"-24" \$1100.00

Contour; 1" diameter, straight taper to .900" on the muzzle.

Weights are to be determined when I work my way through the design with Bartlein. My primary goal is to maintain accuracy. Weight being somewhat secondary. Depending on demand a lighter CF contour similar to Bartlein's #4 is possible.

Additional options;

threaded muzzle \$50.00

bead blast finish \$35.00

Cerakote \$75.00

M400BB steel \$215.00

I'll respond to email only. No PM's. I don't take credit cards or other electronic payments. 50% deposit required and the balance when completed. Personal check is fine. I'll hold your place inline as emails are received. Deposits are due within 10 days of order confirmation or you're out of here.
